Types of Charitable Gifts:

Unrestricted

Help support important areas of Zoo operations such as:

- Veterinary care for every animal
- Educational programs for children pre-k through adult
- Facilities maintenance & grounds care

These gifts allow the Zoo to manage its annual budget, help pay its bills, tackle ongoing needs, and respond to unforeseen challenges and opportunities.

Designated

Aid in a variety of special efforts to advance the Zoo and its mission outside of core operational budget.

Splash Pad Improvements

We'd like to add some much needed additions, such as non-slip safety flooring, additional seating and shade coverings, better lighting, and more.

Capital Improvements

Many of the facilities at the Zoo are decades old and need facelifts or, in some cases, replacement of major components.

The Zoo is a gateway for imagination, learning, conservation and happiness.

Continual automated giving is the best way to support all the good work the zoo does
